EFFECTIVENESS**

TODAY'S PANELISTS

Jim Weaver

A black and white portrait of Jim Weaver, a middle-aged man with short, light-colored hair, smiling. He is wearing a dark suit jacket, a white shirt, and a dark tie. The portrait is set against a blue background with a white dashed line extending from the top of the name box. The NCDIT logo is positioned at the bottom left of the portrait.

Wade Horn

A black and white portrait of Wade Horn, a middle-aged man with a mustache, smiling. He is wearing a dark suit jacket over a light-colored button-down shirt. The portrait is set against a red background with a white dashed line extending from the top of the name box. The Deloitte logo is positioned at the bottom left of the portrait.

Megan Lazalier

A black and white portrait of Megan Lazalier, a woman with long, wavy hair, smiling. She is wearing a patterned top with floral designs. The portrait is set against a teal background with a white dashed line extending from the top of the name box. The Adobe logo is positioned at the bottom left of the portrait.

THE NEED FOR DIGITAL EQUITY

In recent years, the following factors have fueled the digital divide:

in rural areas **lack access** to fast broadband service ¹

of adults can't answer basic **digital literacy** questions ²

adults **rely on digital methods** to get information about public services ³

Users **experience problems** when using digital government services ⁴

POLL QUESTION

From your perspective, which initiative should be prioritized to most effectively address the digital divide?

- a. Expanding access to affordable high-speed internet.
- b. Providing digital skills training programs
- c. Ensuring accessibility of digital government services
- d. Collaborating with community organizations to promote digital inclusion
- e. Other: _____

POLL QUESTION

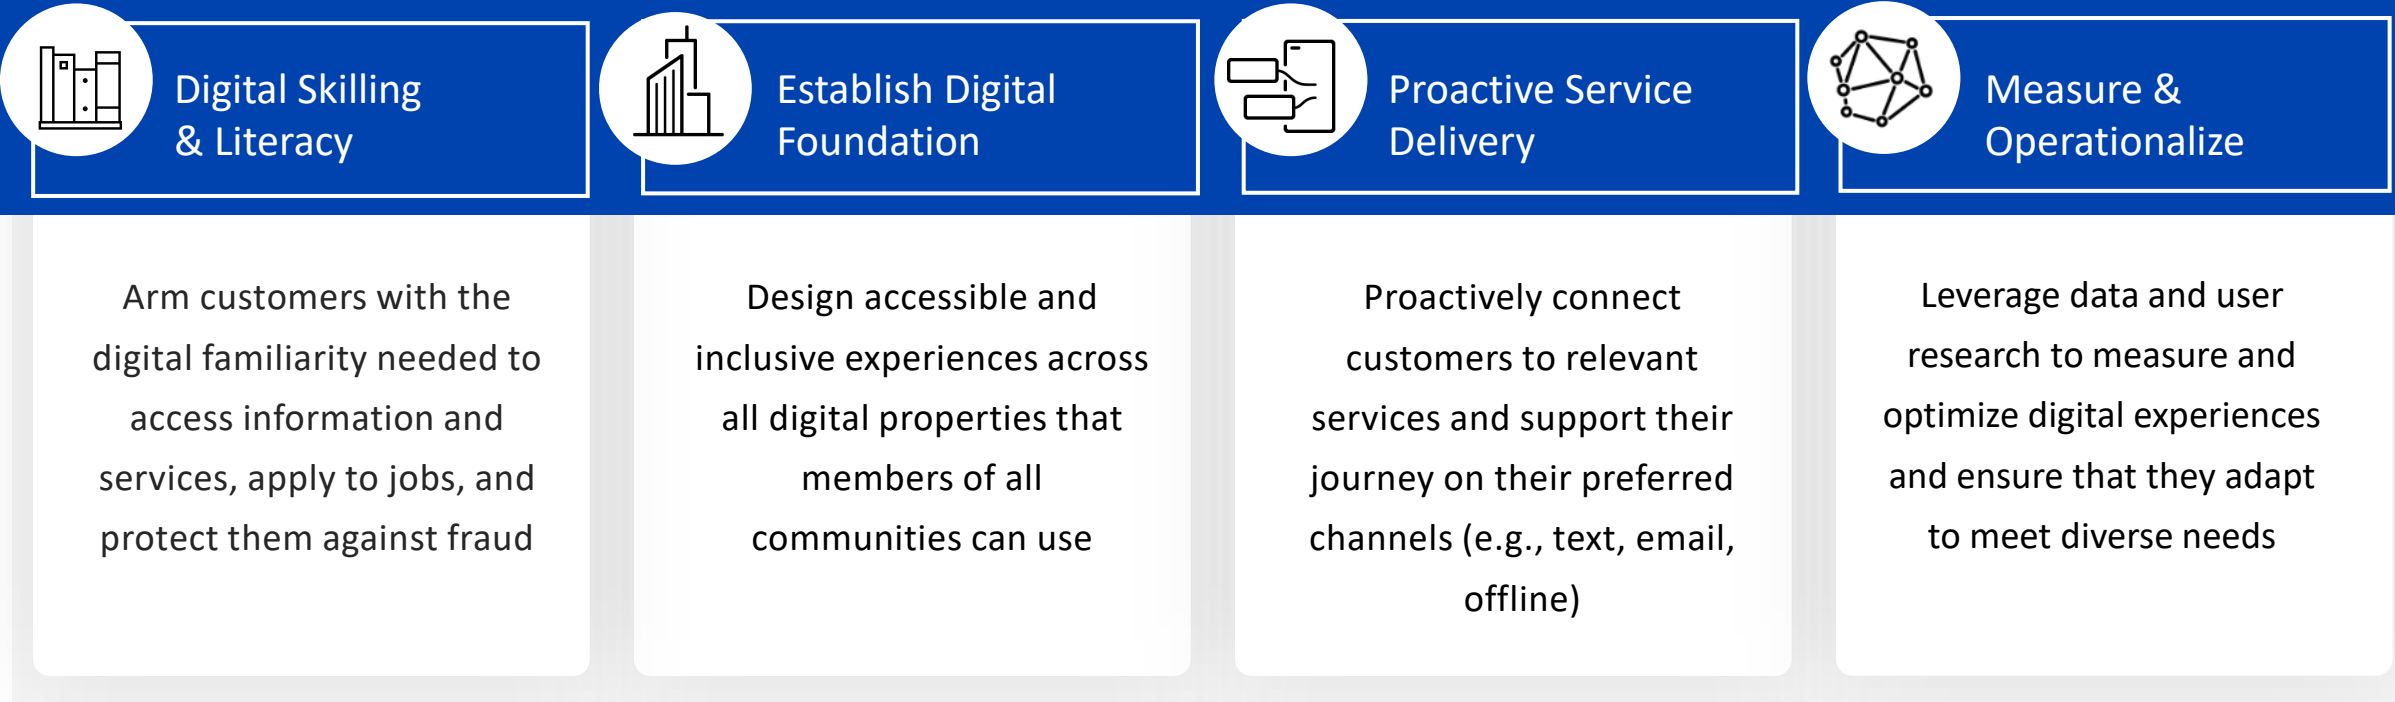

Are there any unique strategies related to addressing the digital divide that you have either observed or are actively working on?

EQUITABLE CLIENT EXPERIENCES

Adobe recommends four areas of focus for agencies to create an inclusive & equitable digital experiences:

Read Adobe's Article in Policy & Practice:
'Bridging the digital divide goes beyond infrastructure'

<https://shorturl.at/erH01>

Evaluate your agency's maturity:
'Digital Equity Maturity Quiz'
