

Know Your Strengths. Elevate Leadership, Together.

APHSA is offering a two-part virtual experience for **staff at all levels** to explore their CliftonStrengths® 34 profile and discover how their natural talents influence the way they lead, build relationships, and create impact.

September 16, 2026
2:00 - 4:30PM EST

October 8, 2026
2:00 - 4:30PM EST

PART 1: Know Your Strengths

Discover your natural talents and how you think, feel, and lead -- then learn to develop them with intention.

- Obtain access to the CliftonStrengths® 34 report and build a working knowledge of your strengths results
- Practice the Name – Claim – Aim model
- Learn to navigate your strengths with intention
- Connect your talents to your presence and influence

PART 2: Elevate the Collective

Move from individual talent to collective contribution and put strengths to work as a team.

- See how diverse talents build stronger partnerships
- Recognize and leverage the strengths of others
- Create space for people to contribute their natural talents
- Turn differences into opportunities for shared success

Two Live National Virtual Sessions

5 hours with human services professionals across the U.S., peer dialogue included
